

Skinwalker Awareness Club

Logo:

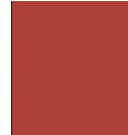

For the logo design In canva is the head of a skinwalker with another eye to represent awareness, It's very simple and i wanted to add the colors I would use throughout the website

Colors

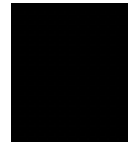

#8a0a0a

#bf3434

#adadad

#000000

Medium 500

The Skinwalker awarness club

The font I will be using is the Victor Mono font because it is a formal but fitting font. I wanted something a little different then a regular font. This font is very business and calm and the appearance is monospaced.
