# Skinwalker Awareness Club

## Logo:

For the logo design I created a picture of the head of a skinwalker, It's very simple and i wanted to add the colors I would use throughout the website
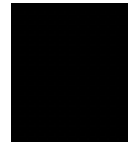

## Colors

 #8a0a0a

 #bf3434

 #adadad

 #000000

Medium 500

The Skinwalker awarness club

The font I will be using is the Victor Mono font because it is a formal but fitting font. I wanted something a little different then a regular font. This font is very business and calm and the appearance is monospaced.
